Verdict Set Aside.
In the case of Margaret Vogel vs.
the Baltimore & Ohio railroad, which
was tried two weeks ago and resulted
in a verdict of \$1,800 for the plaintiff,
Judge Sheets, on motion of the de-
fendants, rendered a decision last
Thursday setting the verdict of the
jury aside. The ground of setting
the verdict aside being contributory
negligence on the part of the deceased
Vogel. The case will probably be
carried to the circuit court.

He has our thanks for the gift. In
this connection we might state that
some of the finest fruit found any-
where is grown in Henry county, as
the display made at the late county
fair will attest.

Found.
It will be remembered that during
the Defiance Centennial Mr. Levi
Dresback, of Monroe township, had
his pocket-book stolen, which con-
tained a sum of money and several
valuable papers. Nothing was ever
heard of the stolen property until
Monday, when the banking house of
Saur & Co. received word from Mr.
H. P. Miller, of Defiance, that the
pocket-book had been found by some
body who were rummaging over a lot
of garbage under the B. & O. depot.
The book was returned to contain a cer-
tificate of deposit on Saur & Co's
bank for \$500, and a note in favor of
Mr. Dresback of \$61, but the money
was missing. The thief of course ex-
tracted the money and threw the
pocket-book away, or hiding it under
the B. & O. depot.

A Cold Winter.
That we are going to have a very
cold and severe winter has been fully
demonstrated by the goose bone. Now
the prudent man will take all the nec-
essary precautions and prepare for it.
One thing necessary if you would
have your houses warm and com-
fortable, is to have every room well
papered; it costs but little, at the
prices which wall paper is sold at
Saur & Balesy's Book and Wall Pa-
per Depot and it certainly shuts out
more cold than anything else which
you can do for the same amount of
money. Saur & Balesy have a full
stock of both wall and ceiling papers,
which they are offering at such low
prices that almost everybody who
takes the trouble to look the stock
over and get prices is sure to take
enough home to at least paper a room
or two.

Prohibition Convention.
Pursuant to previous notice the
Prohibition convention for the nomi-
nation of candidates for the seven-
thirty county officers to be filled this fall,
was held at the Probate Court room,
in Napoleon, on Wednesday the 25th.
E. M. Hollopeter, of Grelton, of-
ficiated as chairman, and W. T. Chap-
man was chosen Secretary. The
following resolutions were adopted:
Resolved, That the Hon. J. B. Wheeler, Napoleon;
Prosecuting Attorney, R. Nyswander,
Napoleon; Commissioner, Wm. Hatcher,
Richfield; Infirmary Director,
J. B. Shaffeld, Ridgeville; Coroner,
T. S. Lingel, Napoleon.

Owing to a want of information re-
garding the convention was poorly
attended. The ticket is an excellent
one, and well worthy the suffrages of
the electors of Henry county, every
person on it being eminently fitted
for the position named. W.T.C.

About All Dead.
Of some six hundred western hogs,
shipped to this place and distributed
among farmers in the vicinity of Na-
poleon, nearly, if not all, have died,
and this within a space of two weeks.
We certainly deplore the loss to our
farmer friends, but distributed as it
is in small lots it has not bankrupted
anyone and will prove a valuable
lesson to those who have stated that
week that the fatality among these
hogs was due to the change of climate
and is not necessarily due to cholera,
although it is not impossible that this
dread disease may have been brought
here by these hogs. Henry county
farmers are not the only ones who
have suffered loss by the purchase of
stock hogs from the drouth stricken
west. From the commercial columns
of Chicago papers we discover that
vast numbers of these hogs have been
distributed through out northern Ohio,
Indiana and Michigan and the result
has been the same as with our own
farmers. There is little doubt that in
a series of years there will be no crop
that will make the farmer better re-
turn than hogs, but to be safe he should
breed his own stock.

\$100 Reward, \$100.
The readers of this paper will be
pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages and
that is Catarrh. Hall's Catarrh Cure
is the only positive cure now known
to the medical fraternity. Catarrh
being a constitutional disease, requires
a constitutional treatment. Hall's
Catarrh Cure is taken internally,
acting directly upon the blood and
mucous surfaces of the system, there-
by destroying the foundation of the
disease, and giving the patient
strength by building up the constitu-
tion and assisting nature in doing its
work. The proprietors have so much
faith in its curative powers, that they
offer One Hundred Dollars for any
case that it fails to cure. Send for
list of Testimonials.

Death of Grandma McCann.

Mrs. Amy McCann died at the resi-
dence of her daughter, Mrs. E. B.
Harrison on Sunday last, after an
illness of less than a week's duration
of pneumonia.

At the time of her death she was
aged 73 years, 1 month and 13 days.
She was known by almost everybody,
having resided in this county for
over forty years.

Mrs. McCann was born in Knox
county, O., Aug. 18th, 1821, and was
married to Dr. D. M. McCann on Oct.
20, 1839. They with their three
children moved to Napoleon Oct. 25,
1852. But one member of her family
is living, Mrs. Harrison. She was a
most exemplary old lady, respected
by all with whom she came in con-
tact, and much loved by those who
were intimately acquainted with her.
Her charitable deeds were many and
she was a devout follower of her
Heavenly Father.

Grandma McCann will not only be
sadly missed in the household from
which she has just been called, but her
absence will be keenly felt in the
circles in which she took such a deep
interest. She was a good and kind
woman, and she has gone but to reap
her reward as a faithful servant.

The funeral took place from the
residence of Dr. E. B. Harrison on
Tuesday morning, Rev. Donahue of-
ficiating, being assisted by Rev. Kalb.
Interment in Forest Hill cemetery.

Poster's Forecast.

My last bulletin gave forecasts of
the storm waves to cross the contin-
ent from the 25th to the 29th and
30th of September to October 3th.
The next will reach the Pacific coast
about October 6th, cross the western
mountains by the close of the 7th, the
great central valleys from the 8th to
the 10th, and the eastern states about
the 11th.

The warm wave will cross the west-
ern mountains about October 6th, the
great central valleys about the 8th,
and the eastern states about the 10th.
The cool wave will cross the western
mountains about October 9th, the
great central valleys about the 11th
and the eastern states about the 13th.
New moon occurs September 29th,
full moon October 14th, and Mars in
the early eastern evening skies out-
shines all his neighbors and will aid
in giving us a warm, dry October in
the northern states. He will not
again visit our autumn skies until
1911.

Wabash Wreck!
Narrow Escape From Great Loss
of Life.

Engineer Killed, Fireman Fatally Injured.

A wreck occurred on the Wabash
railroad Sunday near Maumee, which
will undoubtedly cost two lives.
The engineer, F. N. Smith was
killed instantly, and his fireman, A.
H. Day, was injured so badly it is
thought he will die.

The train was a passenger train
No. 42, east bound. The engine
was broken down and abandoned
at Defiance, the train men taking the
engine that is used to pull the De-
fiance and Toledo accommodation.

The train left Defiance late and was
running at a high rate of speed. The
train jumped the track on a switch
near Maumee and the engine turned
completely over. The engineer was
pulled out from under the engine
dead.

The wreck must have been the
work of some arch fiend, who tam-
pered with the switch. The rod at
the lower part of the switch-target
had been removed and the switch
partly thrown open. The baggage
car was shivered to pieces but fortu-
nately the occupants escaped un-
hurt.

The postal cars, after the wreck,
stood side by side on the main track.
Several postal clerks were hurt slight-
ly. The rest of the clerks in the train
were not affected very much, but the
occupants received a good jolting.

It took several hours for the wreck-
ing train to clear away, so traffic
could be resumed.

Smith, the dead engineer, is 50 years
old and married. The fireman was
younger. The Wabash officials will in-
vestigate the cause of the wreck, sus-
pecting foul play.

Fireman Day died Tuesday.
